Hello Steve,

On behalf of the ACA, we would like to thank you for the time and energy you put forth in applying for Pennsylvania's State Director position. We had a great response and received several impressive applications. At this time, we are pleased to inform you that you have been chosen as the initial State Director to represent Pennsylvania!

Without willing and capable volunteers such as yourself, the ACA would not exist and we truly appreciate your enthusiasm for paddlesports and your dedication to the ACA.

At your earliest convenience, please reply to Amy Ellis (aellis@americancanoe.org) to confirm your acceptance of this volunteer position. In addition, please take a few moments to fill out the Doodle Poll (link provided in your acceptance email) so we can schedule our first conference call with all the new State Director's.

Again, thank you for your continued support of the ACA and paddlesports. We hope that together we can make a difference for paddlers and waterways in your state!

*Thank You!
Looking forward to working
with you.*
